

# Umpqua Coastal Housing Center Client Success Story

## Coastal Rehab

“From the first time I spoke to Alan Spjut regarding what I needed done, the experience has been so positive. He explained everything carefully, met my daughter, and off we went with plans.

I love driving up my driveway and seeing the new door — no broken window or sagging.

I feel so good about my floors too!! The new roof, new windows, new paint makes me proud of my home now.

Thank you, thank you! “
